ware 🐾 cares™

We care about the carbon pawprint we leave as a company and are committed to using recycled and recyclable material in the manufacturing of our packaging and pet products.

Care Tip

To protect the wood on your hutch you need to re-apply the protective stain finish at least 1x each year. Use a safe and non-toxic water based stain (available at your local paint or hardware center). Keep hutch in a safe area away from high winds and extreme temperatures.
